

# Conduct Agreement for Fort Collins Youth Battle Gamers

## Instructions

The parent (or guardian) is to read each statement aloud in the presence of the minor. The parent is to verify that the minor understands the content of the statement.

### Agreed Statement

- I understand that this is a game played for fun. That I will do my best to make the games enjoyable for myself and others.
- I shall not cuss or use bad language or put down other players.
- I agree to follow all instructions given by the referees and I understand that I am always to cease fighting when I hear the word "Hold!"
- I am willing to play more gently with those players who may be smaller or lighter than me or anyone who is timid or new to the sport. I agree to never strike anyone who is without weapon and not part of any game scenario. I agree to do my best never to strike a player in the head or neck.
- Before barrowing any weapon, armor, or other game equipment, I will seek out and ask the owner's permission.
- If I choose to become a regular participant of Fort Collins Youth Battle Gamers I will, within three weeks, equip myself with my own foam weapons and maintain them as best I can. I will also equip myself with knee pads (and for boys an athletic cup).
- I will seek to have my weapons inspected for safety when I first arrive for game play. If I arrive when a game is in progress, I will seek out a referee to inspect my weapons before joining the game.
- I understand that I am not to carry any sharp objects (pens, pencils, knives, and scissors) onto the game field.
- I understand that things get lost and broken on the game field during combat. I understand that should I carry my cell phone in my pocket onto the game field, it may be lost or damaged beyond repair. I understand that items in my pockets, including car or house keys may be lost. I understand that jewelry worn may be broken and that rings and studs are at risk of being ripped from piercings. I understand that glasses may be damaged in battle.
- I agree to help clean up the game field and surrounding area at the end of the day's battle gaming activities.

I have read and the above statements to minor \_\_\_\_\_ (minors name). We have both understand the statements. In the event that the minor violates the conduct agreement, I agree that Fort Collins Youth Battle Gamers may call me at \_\_\_\_\_ or \_\_\_\_\_ to have the minor picked up.
